

# IMPORTANT NOTICE

1. The financial statements of the Company for the year of 2024 prepared in accordance with the IFRS Accounting Standards have been audited by KPMG, who has issued an unqualified audit report.

2. The profit distribution proposal or proposal for conversion of capital reserve into share capital for the Reporting Period has been approved by the Board.

Pursuant to the approval previously obtained at the shareholders' general meeting of the Company, within three years from 2024, the profit distributed in cash will gradually increase to above 75% of the profit attributable to equity holders of the Company for the year, striving to create more value for shareholders. After fully considering the Company's cash flow level, the cash return to shareholders, etc., the Board of Directors proposes a final dividend of RMB0.0927 per share (pre-tax) based on total number of issued share capital of the Company at the record date for the implementation of the dividend distribution. Cash dividend to be distributed amounts to an aggregate amount of approximately RMB8,483 million calculated based on 91,507,138,699 shares, being the total number of issued share capital of the Company as at 31 December 2024. The dividend distribution is derived from net profit realised in the current period. Together with the 2024 interim dividend of RMB0.1671 per share (pre-tax) which has been distributed, the full year dividend of 2024 amounts to RMB0.2598 per share (pre-tax) in an aggregate amount of approximately RMB23,774 million which represents 72% of the profit attributable to equity holders of the Company for the year 2024. In case of any change in the total number of issued share capital of the Company before the record date for the implementation of the dividend distribution, the total distribution amount will remain unchanged, and the distribution amount per share will be adjusted accordingly.

The profit distribution plan will be submitted to the Annual General Meeting of the Company for the year 2024 for consideration and approval.

### 3. Risk Statement of Forward-Looking Statements

Forward-looking statements, such as development strategies, future business plans and prospects, contained in the 2024 annual report of the Company do not constitute a commitment of the Company to investors. ### Explanation on change of accounting firms

In consideration of the Company's needs for audit services and in accordance with the relevant requirements for the selection and appointment of accounting firms by state-owned enterprises including the Administrative Measures for the Appointment of Accounting Firms by State-owned Enterprises and Listed Companies, after performing procedures for open selection and based on the results thereof, the Board and the shareholders' general meeting have approved the appointments of KPMG and KPMG Huazhen LLP as the Company's external auditors for the year 2024. The Company has fully communicated with the originally appointed accounting firm regarding the change of accounting firms, and the originally appointed accounting firm has no objection to the change of accounting firm.

### 3. MATERIAL CONNECTED TRANSACTIONS

#### (1) Connected transactions

Reference is made to the announcement published by the Company on 11 March 2024. On 11 March 2024, China Telecom Quantum Group, a wholly-owned subsidiary of the Company, entered into the Share Subscription Agreement with Quantumctek, planning to subscribe for non-public issued shares of Quantumctek with self-owned funds. Reference is made to the announcement published by the Company on 15 November 2024. Pursuant to the offering application and review documents of Quantumctek, the number of shares issued to China Telecom Quantum Group was adjusted from 24,112,311 shares to 22,486,631 shares and the total amount of the offering was adjusted from approximately RMB1.903 billion to approximately RMB1.775 billion. On 15 November 2024, the Board considered and approved the resolution in relation to the adjusted number of new shares subscribed by China Telecom Quantum Group in the offering of Quantumctek. Based on the adjusted number of shares subscribed, upon completion of the subscription, China Telecom Quantum Group holds approximately 21.86% of the issued shares of Quantumctek and will have the power to control the board of directors of Quantumctek. According to the applicable accounting principles, Quantumctek will become an indirect non-wholly owned subsidiary of the Company and the financial results of Quantumctek will be consolidated into the Group's consolidated financial statements.

China Telecommunications is the Company's controlling shareholder and holds approximately 63.90% of the issued share capital of the Company. China Telecommunications and Quantumctek hold 54% and 36% of the equity of China Telecom Quantum Technology Limited, respectively. Accordingly, pursuant to Chapter 14A of the Hong Kong Listing Rules, Quantumctek is an associate of China Telecommunications and therefore a connected person of the Company. The transactions contemplated under the Share Subscription Agreement constitute connected transactions of the Company.

As the highest applicable percentage ratio of the subscription is more than 0.1% but less than 5%, the Company is only subject to the reporting and announcement requirements, but is exempt from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

### Continuing connected transactions entered into among the Group and China Telecommunications and/or its associates (excluding the Group)

On 22 October 2021, the Company and China Telecommunications entered into the Engineering Framework Agreement, the Ancillary Telecommunications Services Framework Agreement, the Interconnection Settlement Agreement, the Community Services Framework Agreement, the Centralised Services Agreement, the Property and Land Use Right Leasing Framework Agreement, the IT Services Framework Agreement, the Supplies Procurement Services Framework Agreement, the Internet Applications Channel Services Framework Agreement, the Lease Financing Framework Agreement, the Telecommunications Resources Leasing Agreement, the Trademark License Agreement and the Intellectual Property License Framework Agreement (the "Agreements") with a term from 1 January 2022 to 31 December 2024. China Telecommunications is the controlling shareholder of the Company. Accordingly, pursuant to Chapter 14A of the Listing Rules, China Telecommunications is a connected person of the Company and the transactions contemplated under each of the Agreements constitute continuing connected transactions of the Company.

As certain applicable percentage ratios (excluding the profits ratio) of the annual caps (before adjustment) for the transactions contemplated under the Engineering Framework Agreement and the Ancillary Telecommunications Services Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 exceeded 5%, such continuing connected transactions are subject to the reporting, announcement, annual review and independent shareholders' approval requirements under

Chapter 14A of the Listing Rules. The independent shareholders of the Company considered and approved the Engineering Framework Agreement and the Ancillary Telecommunications Services Framework Agreement and the annual caps applicable thereto at the extraordinary general meeting of the Company held on 30 November 2021.

As certain applicable percentage ratios (excluding the profits ratio) of the annual caps for the transactions contemplated under the Community Services Framework Agreement, the Centralised Services Agreement, the Property and Land Use Right Leasing Framework Agreement, the IT Services Framework Agreement, the Supplies Procurement Services Framework Agreement, the Internet Applications Channel Services Framework Agreement, the Lease Financing Framework Agreement and the Telecommunications Resources Leasing Agreement for each of the years ended 31 December 2022, 2023 and 2024 exceeds 0.1% but is less than 5%, such continuing connected transactions are only subject to the reporting, announcement and annual review requirements and are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

As each of the applicable percentage ratios (excluding the profits ratio) of the annual caps for the transactions contemplated under the Interconnection Settlement Agreement, the Trademark License Agreement and the Intellectual Property License Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 is less than 0.1%, such continuing connected transactions are exempt from the reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

SECTION VI  
SIGNIFICANT EVENTS

On 20 October 2023, the Board passed resolutions to approve, among others, the revised annual caps in respect of continuing connected transactions contemplated under the Engineering Framework Agreement, the IT Services Framework Agreement, the Supplies Procurement Services Framework Agreement and the Property and Land Use Right Leasing Framework Agreement for the two years ended 31 December 2023 and 2024 (the "Revised Annual Caps"). All other terms and conditions of such agreements shall remain unchanged and valid. As the applicable percentage ratios (excluding the profits ratio) of the Revised Annual Caps which are applicable to the transactions contemplated under these agreements exceed 0.1% but are less than 5%, the Revised Annual Caps are only subject to the reporting, announcement and annual review requirements and are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules. Set out below are the Revised Annual Caps. Please refer to the announcement published by the Company on 20 October 2023 in relation to revision of annual caps for continuing connected transactions for details.

Details of the Agreements are shown below:

### Engineering Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Engineering Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Engineering Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Engineering Framework Agreement, China Telecommunications and/or its associates provide to the Group services such as engineering design, engineering construction and/or engineering supervision services. The charges payable for such engineering services shall be determined by reference to market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Engineering Framework Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference. According to applicable laws, the charges payable for the design or supervision of engineering projects with a value of over RMB1,000,000 or engineering construction projects with a value of over RMB4,000,000 shall be the tender award price, which is determined in accordance with the "Bidding Law of the PRC" and the "Regulations on the Implementation of the Bidding Law of the PRC" or the final confirmed price in the relevant tender process. In the circumstances there are amended rules or regulations in respect of tender scope and scale of the engineering construction projects promulgated by PRC laws and regulations during the term of agreement, both parties agreed to apply such amended rules and regulations.

In terms of the same service provided under the Engineering Framework Agreement, the Group shall have the priority to use the services provided by China Telecommunications and/or its associates, if the terms and conditions offered by an independent third party to the Group are no better than those offered by China Telecommunications and/or its associates. China Telecommunications and/or its associates undertake to the Group that China Telecommunications and/or its associates will not provide services to the Group which are less favourable than the terms offered by China Telecommunications and/or its associates to a third party. China Telecommunications and/or its associates are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. However, if China Telecommunications and/or its associates fail to meet the Group's demand under the agreement or terms offered by an independent third party are more favourable than those offered by China Telecommunications and/or its associates, the Group is entitled to obtain such service from an independent third party.

### Ancillary Telecommunications Services Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Ancillary Telecommunications Services Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Ancillary Telecommunications Services Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement. However, if the Group has to obtain the same type of services from a third party at a greater cost, China Telecommunications and/or its associates cannot terminate the provision of such services to the Group.

## SECTION VI SIGNIFICANT EVENTS

Pursuant to the Ancillary Telecommunications Services Framework Agreement, China Telecommunications and/or its associates provide the Group with ancillary telecommunications services such as installation of telephones and residential telephone lines, repair of residential telephone lines, customer services, telecommunications terminal equipment, air conditioners and telephone booths, maintenance of fire equipment, production and consignment of sim cards and collection of telephone tariff on the Group's behalf. The charges payable for the services under the Ancillary Telecommunications Services Framework Agreement are calculated on the following basis:

- (1) market prices, which shall mean the prices at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Ancillary Telecommunications Services Framework Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference;
- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin" for any transaction under the Ancillary Telecommunications Services Framework Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference.

In terms of the same service provided under the Ancillary Telecommunications Services Framework Agreement, the Group is entitled to accord priority to China Telecommunications and/or its associates to provide such service, if the terms and conditions offered by an independent third party to the Group are no better than those offered by China Telecommunications and/or its associates. China Telecommunications and/or its associates undertake to the Group that China Telecommunications and/or its associates will not provide services to the Group which are less favourable than the terms offered by China Telecommunications and/or its associates to a third party. China Telecommunications and/or its associates are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. However, if China Telecommunications and/or its associates fail to meet the Group's demand under the agreement or terms offered by an independent third party are more favourable than those offered by China Telecommunications and/or its associates, the Group is entitled to obtain such service from an independent third party.

### Interconnection Settlement Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Interconnection Settlement Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Interconnection Settlement Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Interconnection Settlement Agreement, both parties agree to achieve the interconnection between various types of telecommunications networks. The interconnection settlement charges will be calculated according to the "Notice Concerning the Issue of the Measures on Interconnection Settlement between Public Telecommunications Networks and Sharing of Relaying Fees" (Xin Bu Dian [2003] No. 454) promulgated by the Ministry of Information Industry of the PRC. The Ministry of Industry and Information Technology of the PRC may, from time to time, take into account the relevant regulatory rules and market conditions, amend or promulgate new rules or regulations in respect of interconnection settlement which will be announced on its official website at [www.miit.gov.cn](http://www.miit.gov.cn). If the Ministry of Industry and Information Technology of the PRC amends the existing, or promulgates new rules or regulations in respect of interconnection settlement, the parties shall apply such amended or new rules and regulations as acknowledged by both parties. The settlement regions include Tianjin Municipality, Hebei Province, Heilongjiang Province, Jilin Province, Liaoning Province, Shanxi Province, Henan Province, Shandong Province, Inner Mongolia Autonomous Region and Xizang Autonomous Region.

#### Community Services Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Community Services Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Community Services Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement. However, if the Group has to obtain the same type of services from a third party at a greater cost, China Telecommunications and/or its associates cannot terminate the provision of such services to the Group.

Pursuant to the Community Services Framework Agreement, China Telecommunications and/or its associates provide the Group with community services such as culture, education, property management, vehicle service, medical care, hotel and conference service, community and sanitary service. The community services under the Community Services Framework Agreement are provided at:

- (1) the prices and/or the fees standards under the agreement shall refer to market prices, which shall mean the prices at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Community Services Framework Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference;
- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin" for any transaction under the Community Services Framework Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference.

## SECTION VI SIGNIFICANT EVENTS

In terms of the same service under the Community Services Framework Agreement, the Group is entitled to accord priority to China Telecommunications and/or its associates to provide such service, if the terms and conditions offered by an independent third party to the Group are no better than those offered by China Telecommunications and/or its associates. China Telecommunications and/or its associates undertake to the Group that China Telecommunications and/or its associates will not provide services to the Group which are less favourable than the terms offered by China Telecommunications and/or its associates to a third party. China Telecommunications and/or its associates are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. However, if China Telecommunications and/or its associates fail to meet the Group's demand under the agreement or terms offered by an independent third party are more favourable than those offered by China Telecommunications and/or its associates, the Group is entitled to obtain such service from an independent third party.

### Centralised Services Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Centralised Services Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Centralised Services Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to Centralised Services Agreement, centralised services include services provided by the Group to China Telecommunications and/or its associates in relation to key corporate customers, management and operational services such as network management and business support services, and the common use of international facilities by both parties.

In accordance with the Centralised Services Agreement, the aggregate costs incurred by the Group and China Telecommunications and/or its associates for the provision of management and operation services such as services in relation to key corporate customers, network management and business support services will be apportioned between the Group and China Telecommunications on a pro rata basis according to the revenues generated by each party. Associated costs, such as restoration maintenance costs when both parties use international facilities provided by third parties and accept services by such third parties and usage costs when both parties use the international facilities of China Telecommunications and/or its associates, shall be shared on a pro rata basis according to volume of the inbound and outbound voice calls to and from international regions, Hong Kong, Macau and Taiwan originating from each party divided by the proportion of the aggregate volume of the inbound and outbound voice calls to and from international regions, Hong Kong, Macau and Taiwan originating from both parties. When the two parties use international facilities provided by a third party and accept restoration maintenance costs, such fees shall be determined according to the actual utilisation fee of each year. The utilisation fee associated with the shared use of the international facilities provided by China Telecommunications and/or its associates shall be determined through negotiation between the two parties based on market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Centralised Services Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference.

### Property and Land Use Right Leasing Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Property and Land Use Right Leasing Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Property and Land Use Right Leasing Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Property and Land Use Right Leasing Framework Agreement, the Group and China Telecommunications and/or its associates can lease properties and/or land use right (the "Leased Properties") from the other party for conducting business activities according to the laws. The rental charges for the Leased Properties under the Property and Land Use Right Leasing Framework Agreement shall be agreed by both parties according to comparable market rates. Market rates shall mean the rental charges at which the same or similar type of the Leased Properties or adjacent Leased Properties are leased by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the rental charges for any Leased Property under the Property and Land Use Right Leasing Framework Agreement represents market rates, to the extent practicable, management of the Company shall take into account at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference.

### IT Services Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the IT Services Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new IT Services Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the IT Services Framework Agreement, China Telecommunications and/or its associates and the Group can provide the other party with IT services, such as office automation, software testing, network upgrade, research and development on new businesses and development and upgrade of support systems. Each of the Group and China Telecommunications and/or its associates is entitled to provide services to the other party in accordance with the IT Services Framework Agreement. The charges payable for such services shall be determined by reference to market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the IT Services Framework Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference. In the circumstances where the relevant laws or regulations in the PRC specify that the prices and/or the fee standards for particular services to be provided pursuant to such agreement are to be determined by a tender process, the charges payable for such services shall be finally determined in accordance with the "Bidding Law of the PRC" and the "Regulations on the Implementation of the Bidding Law of the PRC" or the relevant tender procedures.

## SECTION VI SIGNIFICANT EVENTS

In terms of the same service under the IT Services Framework Agreement, the Group is entitled to accord priority to China Telecommunications and/or its associates to provide such service, if the terms and conditions offered by an independent third party to the Group are no better than those offered by China Telecommunications and/or its associates. China Telecommunications and/or its associates undertake to the Group that China Telecommunications and/or its associates will not provide services to the Group which are less favourable than the terms offered by China Telecommunications and/or its associates to a third party. China Telecommunications and/or its associates are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. If China Telecommunications and/or its associates fail to meet the Group's demand under the agreement or terms offered by an independent third party are more favourable than those offered by China Telecommunications and/or its associates, the Group is entitled to obtain such service from an independent third party. Where the above tender process is applicable, the Group does not accord any priority to China Telecommunications and/or its associates to provide such services, and the tender may be awarded to an independent third party. However, if the terms of an offer from China Telecommunications and/or its associates are at least as favourable as those offered by other tenderers, the Group is entitled to award the tender to China Telecommunications and/or its associates.

### Supplies Procurement Services Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Supplies Procurement Services Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Supplies Procurement Services Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Supplies Procurement Services Framework Agreement, China Telecommunications and/or its associates and the Group provide each other with supplies procurement services, including procurement services for imported telecommunications supplies, domestic telecommunications supplies and domestic non-telecommunications supplies, the sale of proprietary telecommunications equipment, resale of third-party equipment, management of tenders, verification of technical specifications, storage and transportation and installation services.

Where the procurement services are provided on an agency basis, the fees shall be paid in commission which shall be calculated at:

- (1) not more than 1% of the contract value for the procurement of imported telecommunications supplies; or
- (2) not more than 3% of the contract value for the procurement of domestic telecommunications supplies and domestic non-telecommunications supplies.

The services for the provision of supplies procurement other than on an agency basis under the Supplies Procurement Services Framework Agreement are provided at:

- (1) market prices, which shall mean the prices at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Supplies Procurement Services Framework Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference;

- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin" for any transaction under the Supplies Procurement Services Framework Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference.

In terms of the same service under the Supplies Procurement Services Framework Agreement, the Group is entitled to accord priority to China Telecommunications and/or its associates to provide such service, if the terms and conditions of services offered by China Telecommunications and/or its associates are at least as favourable as those offered by an independent third party to the Group. China Telecommunications and/or its associates undertake to the Group that China Telecommunications and/or its associates will not provide services to the Group which are less favourable than the terms offered by China Telecommunications and/or its associates to a third party. China Telecommunications and/or its associates are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. If China Telecommunications and/or its associates fail to meet the Group's demand under the agreement or terms offered by an independent third party are more favourable than those offered by China Telecommunications and/or its associates, the Group is entitled to obtain such service from an independent third party.

### Internet Applications Channel Services Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Internet Applications Channel Services Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Internet Applications Channel Services Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Internet Applications Channel Services Framework Agreement, the Group provides Internet applications channel services to China Telecommunications and/or its associates. The channel services mainly include the provision of telecommunications channel and applications support platform, provision of billing and deduction services, coordination of sales promotion and development of customers services, etc.

The charges payable for the services under the Internet Applications Channel Services Framework Agreement are calculated on the following basis:

- (1) the prices and/or the fees standards under the agreement shall refer to market prices, which shall mean the prices at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Internet Applications Channel Services Framework Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference;

## SECTION VI SIGNIFICANT EVENTS

- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin" for any transaction under the Internet Applications Channel Services Framework Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference.

In terms of the same service under the Internet Applications Channel Services Framework Agreement, China Telecommunications and/or its associates is entitled to accord priority to the Group to provide such service, if the terms and conditions offered by an independent third party to China Telecommunications are no better than those offered by the Group. The Group undertake to China Telecommunications and/or its associates that the Group will not provide services to China Telecommunications and/or its associates which are less favourable than the terms offered by the Group to a third party. The Group is entitled to provide relevant services to a third party only if the services provided to China Telecommunications and/or its associates under the agreement are not affected. However, if the Group fails to meet the demand of China Telecommunications and/or its associates under the agreement or terms offered by an independent third party are more favourable than those offered by the Group, China Telecommunications and/or its associates is entitled to obtain such service from an independent third party.

### Lease Financing Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Lease Financing Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Lease Financing Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Lease Financing Framework Agreement, China Telecommunications and/or its associates provides the Group with lease financing services including sale and leaseback, direct lease, etc. and the associated lease financing consulting services.

The pricing policies of the lease financing services under the Lease Financing Framework Agreement are set out below:

The fees charged by China Telecommunications and/or its associates shall comply with the relevant standards promulgated by the People's Bank of China or China Banking and Insurance Regulatory Commission ("CBIRC") (if applicable) with reference to the standards of fees charged by major lease financing companies in cooperation with the Group for the same type of services provided to the Group on normal commercial terms or better. Such fees shall be equal to or lower than those of other major lease financing companies in cooperation with the Group.

In terms of the same service under the Lease Financing Framework Agreement, the Group is entitled to accord priority to China Telecommunications and/or its associates to provide such service, if the terms and conditions of services offered by China Telecommunications and/or its associates are at least as favourable as those offered by an independent third party to the Group. China Telecommunications and/or its associates undertake to the Group that China Telecommunications and/or its associates will not provide services to the Group which are less favourable than the terms offered by China Telecommunications and/or its associates to a third party. China Telecommunications and/or its associates are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. However, if China Telecommunications and/or its associates fail to meet the Group's demand under the agreement or terms offered by an independent third party are more favourable than those offered by China Telecommunications and/or its associates, the Group is entitled to obtain such service from an independent third party.

#### Telecommunications Resources Leasing Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Telecommunications Resources Leasing Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Telecommunications Resources Leasing Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Telecommunications Resources Leasing Agreement, the Group leases telecommunications resources including transmission network telecommunications resources, wireless network telecommunications resources, wireline access network telecommunications resources, etc. from China Telecommunications and/or its associates.

The rental charges for the leasing of telecommunications resources from China Telecommunications and/or its associates are based on the annual depreciation charges and determined with reference to market prices as agreed by both parties. When determining the fee standard or reasonable profit margin, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference. The Group carries out maintenance of the leased telecommunications resources in accordance with the relevant procedures and standards as confirmed by both parties. Such maintenance fees shall be borne by the Group.

#### Trademark License Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Trademark License Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Trademark License Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Trademark License Agreement, China Telecommunications and/or its associates grants the Group the license for the use of the trademarks with trademark registration certificates as registered by China Telecommunications and/or its associates at China National Intellectual Property Administration of the State Administration for Market Supervision and the trademarks for which China Telecommunications and/or its associates is applying to China National Intellectual Property Administration of the State Administration for Market Supervision for registration and has not obtained trademark registration certificates yet. During the term of the agreement, China Telecommunications and/or its associates will not charge the Group any royalty fee for the grant of trademark license.

## SECTION VI SIGNIFICANT EVENTS

### Intellectual Property License Framework Agreement

On 22 October 2021, the Company and China Telecommunications entered into the Intellectual Property License Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Intellectual Property License Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement.

Pursuant to the Intellectual Property License Framework Agreement, each of the Group or China Telecommunications and/or its associates is entitled to grant to the other party the license for the use of intellectual property (excluding trademarks). Royalty fee for such license shall be determined by both parties based on market prices, which shall mean the prices to be determined on normal commercial terms and by the following mechanism: the royalty fee at which the same or similar type of intellectual property licenses are provided by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Intellectual Property License Framework Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business in the corresponding period for reference. Where there is no or it is not possible to determine the market prices according to the pricing and/or fee standards under the agreement in the course of performing the agreement, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin"

for any transaction under the agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with Independent Third Parties in the corresponding period or the relevant industry profit margin for reference.

### Continuing connected transactions entered into between China Telecom Finance and the Group, the Parent Group, the CCS Group, New Guomai Group and Safety Technology Group respectively

On 22 October 2021, China Telecom Finance entered into the financial services framework agreement with each of the Company, China Telecommunications (together with its associates and its commonly held entity held with the Group, excluding the Group, the CCS Group, New Guomai Group and Safety Technology Group, the "Parent Group"), CCS (together with its subsidiaries, "CCS Group"), New Guomai (together with its subsidiaries, "New Guomai Group") and Safety Technology (together with its subsidiaries, "Safety Technology Group"). As China Telecommunications is the Company's controlling shareholder, and CCS, New Guomai and Safety Technology are subsidiaries of China Telecommunications, pursuant to Chapter 14A of the Listing Rules, China Telecommunications, CCS, New Guomai and Safety Technology and/or their associates are connected persons of the Company. As the Company holds 70% of the issued share capital of China Telecom Finance, China Telecom Finance is a subsidiary of the Company. Meanwhile, China Telecommunications and CCS each respectively holds 15% of the issued share capital of China Telecom Finance. Pursuant to Chapter 14A of the Listing Rules, China Telecom Finance is a connected subsidiary of the Company and an associate of China Telecommunications, CCS, New Guomai and Safety Technology, which is also a connected person of the Company. Accordingly, the transactions under the respective Financial Services Framework Agreements constitute continuing connected transactions of the Company pursuant to Chapter 14A of the Listing Rules.

### China Telecom Financial Services Framework Agreement entered into between the Company and China Telecom Finance

On 22 October 2021, the Company and China Telecom Finance entered into the financial services framework agreement (“China Telecom Financial Services Framework Agreement”). Pursuant to the agreement, China Telecom Finance agreed to provide financial services to the Group, including deposit services, loan and bill discounting services and other financial services.

As each of the applicable percentage ratios of the annual caps for the deposit services provided by China Telecom Finance to the Group under the China Telecom Financial Services Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 exceeds 5% but is less than 25%, such continuing connected transaction is subject to the reporting, announcement, annual review and independent shareholders’ approval requirements under Chapters 14A of the Listing Rules. The independent shareholders of the Company considered and approved the deposit services and the applicable annual caps under the China Telecom Financial Services Framework Agreement at the extraordinary general meeting of the Company held on 30 November 2021.

As the loan and bill discounting services provided by China Telecom Finance to the Group under the China Telecom Financial Services Framework Agreement are conducted on normal commercial terms or better and the relevant loan and bill discounting services will not be secured by the assets of the Group, such loan and bill discounting services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements pursuant to Rule 14A.90 of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the service fees of other financial services provided by China Telecom Finance to the Group under the China Telecom Financial Services Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 is less than 0.1%, such other financial services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements under Chapter 14A of the Listing Rules.

The deposit interest rates offered by China Telecom Finance to the CCS Group shall comply with the relevant requirements of the People's Bank of China and be with reference to the deposit benchmark interest rates promulgated by the People's Bank of China from time to time (if any) and the deposit interest rates of the same type of deposit services for the same period offered by the major cooperative commercial banks of the CCS Group and are conducted on normal commercial terms or better. The deposit interest rates offered shall be equivalent to or higher than those offered by the major cooperative commercial banks of the CCS Group. Under the same conditions, the interest rates and terms for the deposit services offered by China Telecom Finance to the CCS Group shall be the same as those interest rates and terms of the same type of deposit services for the same period offered by China Telecom Finance to other member units.

#### *(ii) Loan and Bill Discounting Services*

The loan interest rates and the bill discounting interest rates offered by China Telecom Finance to the CCS Group shall comply with the relevant requirements of the People's Bank of China and be with reference to the loan benchmark interest rates promulgated by the People's Bank of China from time to time (if any) and the interest rates of the same type of loan services and bill discounting services for the same period offered by the major cooperative commercial banks of the CCS Group and are conducted on normal commercial terms or better. The loan interest rates and the bill discounting interest rates offered shall be equivalent to or lower than those offered by the major cooperative commercial banks of the CCS Group. Under the same conditions, the interest rates and terms for the loan and bill discounting services offered by China Telecom Finance to the CCS Group shall be the same as those interest rates and terms of the same type of loan services and bill discounting services for the same period offered by China Telecom Finance to other member units.

The above loan and bill discounting services provided by China Telecom Finance to the CCS Group do not require the CCS Group to pledge any security over its assets or make other arrangements for the loan and bill discounting services as guarantee.

#### *(iii) Other Financial Services*

China Telecom Finance provides other financial services (other than deposit, loan or bill discounting services) including financial and financing advice, credit authentication, acceptance of bills, internal fund transfer and settlement and designs of relevant settlement and clearance arrangement proposals to the CCS Group under the CCS Financial Services Framework Agreement.

The fees charged for other financial services provided by China Telecom Finance to the CCS Group mentioned above shall comply with the fees standard promulgated by regulatory departments including the People's Bank of China or the CBIRC (if applicable), and be with reference to the handling fees standard for the same type of other financial services charged by the major cooperative commercial banks of the CCS Group and are conducted on normal commercial terms or better. The handling fees standard shall be equivalent to or lower than those charged by the major cooperative commercial banks of the CCS Group. Under the same conditions, the fees standard charged to the CCS Group by China Telecom Finance shall be the same as those fees standard for the same type of other financial services charged by China Telecom Finance to other member units.

## SECTION VI SIGNIFICANT EVENTS

For the respective specific transactions under the CCS Financial Services Framework Agreement entered into between CCS and China Telecom Finance, provided that it is in compliance with the terms and conditions of the CCS Financial Services Framework Agreement, China Telecom Finance will be appointed as one of the financial institutions providing financial services to the CCS Group. Prior to the signing of any specific agreement with China Telecom Finance in respect of respective transactions under the CCS Financial Services Framework Agreement, the CCS Group will compare the interest rates and terms or fees charged and other relevant transactions terms offered by China Telecom Finance with those interest rates and terms of the same type of deposit or loan services for the same period or fees charged and other relevant transaction terms for the same type of financial services offered by the major cooperative commercial banks of the CCS Group. Only when the interest rates and terms or fees charged or other relevant transactions terms offered by China Telecom Finance are equivalent to or better than those interest rates and terms offered or fees charged or other relevant transactions terms (e.g. transaction approval terms, procedures or time limit, etc) offered by the major cooperative commercial banks of the CCS Group, the CCS Group has the discretion to enter into the transactions with China Telecom Finance. Under the circumstances which the CCS Group considers appropriate, the CCS Group may engage additional or other financial institutions other than China Telecom Finance to provide financial services.

The CCS Financial Services Framework Agreement became effective from 1 January 2022 and expired on 31 December 2024. Subject to the compliance of relevant laws and regulations and relevant regulatory requirements, both parties would negotiate and agree on the renewal arrangement.

### New Guomai Financial Services Framework Agreement entered into between China Telecom Finance and New Guomai

On 22 October 2021, China Telecom Finance and New Guomai entered into the financial services framework agreement (“New Guomai Financial Services Framework Agreement”). Pursuant to the agreement, China Telecom Finance agreed to provide financial services to New Guomai Group, including deposit services, loan and bill discounting services and other financial services.

As the deposit services provided by China Telecom Finance to New Guomai Group under the New Guomai Financial Services Framework Agreement are conducted on normal commercial terms or better and the relevant deposit services will not be secured by the assets of the Group, such deposit services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements pursuant to Rule 14A.90 of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the loan and bill discounting services provided by China Telecom Finance to New Guomai Group under the New Guomai Financial Services Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 exceeds 0.1% but is less than 5%, such loan and bill discounting services are only subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders’ approval requirement under Chapter 14A of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the service fees of other financial services provided by China Telecom Finance to New Guomai Group under the New Guomai Financial Services Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 is less than 0.1%, such other financial services are exempt from all reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

The New Guomai has the discretion to choose other financial institutions to provide financial services. For the respective specific transactions under the New Guomai Financial Services Framework Agreement entered into between New Guomai and China Telecom Finance and under the same conditions, the New Guomai Group shall, in principle, take the financial services provided by China Telecom Finance as priority. Under the circumstances which the New Guomai Group considers appropriate and beneficial to the New Guomai Group, the New Guomai Group may engage one or more financial institutions which are the major cooperative commercial banks of the New Guomai Group to provide financial services.

The New Guomai Financial Services Framework Agreement became effective from 1 January 2022 and expired on 31 December 2024. Subject to the compliance of relevant laws and regulations and relevant regulatory requirements, both parties would negotiate and agree on the renewal arrangement.

### Safety Technology Financial Services Framework Agreement entered into between China Telecom Finance and Safety Technology

On 22 October 2021, China Telecom Finance and Safety Technology entered into the financial services framework agreement ("Safety Technology Financial Services Framework Agreement"). Pursuant to the agreement, China Telecom Finance agreed to provide financial services to Safety Technology Group, including deposit services, loan and bill discounting services and other financial services.

As the deposit services provided by China Telecom Finance to Safety Technology Group under the Safety Technology Financial Services Framework Agreement are conducted on normal commercial terms or better and the relevant deposit services will not be secured by the assets of the Group, such deposit services are exempt from all reporting, announcement, annual review and independent shareholders' approval requirements pursuant to Rule 14A.90 of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the loan and bill discounting services provided by China Telecom Finance to Safety Technology Group under the Safety Technology Financial Services Framework Agreement for each of the years ended 31 December 2022, 2023 and 2024 exceeds 0.1% but is less than 5%, such loan and bill discounting services are only subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

### Continuing connected transactions entered into between the Group and E-surfing Pay and its subsidiaries

#### Payment and Digital Finance Related Services Framework Agreement

On 22 October 2021, the Company and E-surfing Pay entered into the Payment and Digital Finance Related Services Framework Agreement with a term from 1 January 2022 to 31 December 2024. Prior to the expiry of the agreement, the parties are entitled to negotiate the signing of a new Payment and Digital Finance Related Services Framework Agreement or a supplemental agreement to ensure the normal operation of the production and businesses of both parties after the expiry of the agreement. However, if the Group has to obtain the same type of services from a third party at a greater cost, E-surfing Pay and its subsidiaries cannot terminate the provision of such services to the Group.

Pursuant to the Payment and Digital Finance Related Services Framework Agreement, E-surfing Pay and its subsidiaries provides payment and digital finance related services to the Group. The service scope includes the recharged payment services as well as the issuance and operation and settlement services for rechargeable payment cards such as 11888 card; internet payment services and mobile phone payment services; bank card payment and barcode payment services; issuance and handling services for prepaid cards; bill payment and other integrated payment enabled services; establishment and maintenance services of the payment system of the Group's subscribers; other related payment and digital finance services within the scope of businesses permitted by or as filed with the relevant regulatory authorities; and the establishment, operation, expansion and maintenance services for fundamental capabilities and systems in fulfilment of the aforesaid services.

In term of the same service provided under the Payment and Digital Finance Related Services Framework Agreement, if the terms and conditions offered by an independent third party to the Group are no better than those offered by the E-surfing Pay and its subsidiaries, E-surfing Pay and its subsidiaries shall have the priority to provide such services to the Group under the same conditions. E-surfing Pay and its subsidiaries undertake to the Group that E-surfing Pay and its subsidiaries will not provide services to the Group which are less favourable than the terms offered by E-surfing Pay and its subsidiaries to a third party. E-surfing Pay and its subsidiaries are entitled to provide relevant services to a third party only if the services provided to the Group under the agreement are not affected. If E-surfing Pay and its subsidiaries fail to meet the Group's demand under the agreement, or if an independent third party offers more favourable terms than E-surfing Pay and its subsidiaries do, the Group may obtain such services from an independent third party.

Pursuant to Chapter 14A of the Listing Rules, as China Telecommunications is the Company's controlling shareholder, holding approximately 64.53% of the issued share capital of E-surfing Pay as of the date on which the Payment and Digital Finance Related Services Framework Agreement was entered into, China Telecommunications and E-surfing Pay are connected persons of the Company and the transactions contemplated under the Payment and Digital Finance Related Services Framework Agreement constitute continuing connected transactions of the Company.

As each of the applicable percentage ratios (except for the profit ratio) of the annual cap for each of the years ended 31 December 2022, 2023 and 2024 for the transactions contemplated under the Payment and Digital Finance Related Services Framework Agreement is expected to exceed 0.1% but is less than 5%, the continuing connected transactions of the payment and digital finance related services are only subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

The services fees under the Payment and Digital Finance Related Services Framework Agreement shall be calculated on the following basis:

- (1) market price, which shall mean the prices at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Payment and Digital Finance Related Services Framework Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference;
- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin" for any transaction under the Payment and Digital Finance Related Services Framework Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference;
- (3) where there are government-prescribed prices, the prices and/or pricing standards shall be determined in accordance with the government-prescribed prices; where there are government-guided prices, the prices and/ or pricing standards shall be determined with reference to the government-guided prices. Government-prescribed prices means the prices prescribed by the government department in charge of pricing or other relevant departments within the pricing authority and scope in accordance with the Price Law of the PRC. Government-guided prices means the prices determined by the operators as guided by the government department in charge of pricing or other relevant departments which regulate the base price and floating range within the pricing authority and scope in accordance with the Price Law of the PRC.

### (3) Arrangements in connection with continuing connected transactions

On 12 July 2024, the Company and China Telecommunications entered into the New Engineering Framework Agreement, the New Ancillary Telecommunications Services Framework Agreement, the New Interconnection Settlement Agreement, the New Community Services Framework Agreement, the New Centralised Services Agreement, the New Property and Land Use Right Leasing Framework Agreement, the New IT Services Framework Agreement, the New Supplies Procurement Services Framework Agreement, the New Internet Applications Channel Services Framework Agreement, the New Lease Financing Framework Agreement, the New Telecommunications Resources Leasing Agreement, the New Trademark License Agreement and the New Intellectual Property License Framework Agreement with a term from 1 January 2025 to 31 December 2027.

On 12 July 2024, the Company and E-surfing Pay entered into the New Payment and Digital Finance Related Services Framework Agreement with a term from 1 January 2025 to 31 December 2027.

The respective terms of all these financial services framework agreements are effective from 1 January 2025 until 31 December 2027.

At the extraordinary general meeting of the Company held on 21 August 2024, the resolutions in relation to the continuing connected transactions of the Company, including the applicable annual caps for the connected transactions under each of the above agreements for the period from 1 January 2025 to 31 December 2027, were considered and approved. For details of each agreement, please refer to the announcements published by the Company on the website of the Hong Kong Stock Exchange on 12 July 2024 and the circular dated 2 August 2024.

### (4) Review of continuing connected transactions

The Company confirms that it has complied with the disclosure requirements in accordance with Chapter 14A of the Listing Rules in respect of the connected transactions the Company conducted in the year 2024.

The Company's external auditor was engaged to report on the Group's continuing connected transactions for the year ended 31 December 2024 in accordance with the Hong Kong Standard on Assurance Engagements 3000 "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information" and with reference to Practice Note 740 "Auditor's Letter on Continuing Connected Transactions under the Hong Kong Listing Rules" issued by the Hong Kong Institute of Certified Public Accountants.

### (5) Confirmation from the auditors

The auditors of the Group have reviewed the continuing connected transactions of the Group for the year ended 31 December 2024 and have confirmed to the Board that nothing has come to their attention that causes them to believe that the relevant continuing connected transactions:

- (1) have not been approved by the Board;
- (2) (for transactions involving the provision of goods or services by the Group) were not entered into, in all material respects, in accordance with the pricing policies of the Group;
- (3) were not entered into, in all material respects, in accordance with the terms of the agreements governing such transactions; and
- (4) have exceeded the annual caps as set by the Company.

### (6) Confirmation from independent non-executive directors

The Independent Non-Executive Directors of the Company have confirmed that all continuing connected transactions for the year ended 31 December 2024 to which the Group was a party:

- (1) had been entered into, and the agreements governing those transactions were entered into, by the Group in the ordinary and usual course of business;
- (2) had been entered into either:
  - (i) on normal commercial terms or better; or
  - (ii) if there are not sufficient comparable transactions to judge whether they are on normal commercial terms, on terms no less favourable to the Company than those available to or (if applicable) from independent third parties; and
- (3) had been entered into in accordance with the relevant agreements governing those transactions on terms that are fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Independent Non-Executive Directors have further confirmed that: the continuing connected transactions for the year ended 31 December 2024 entered into between the Group and its connected persons which are subject to annual caps have not exceeded their respective annual caps.

#### 4. MATTERS REGARDING THE RESTRICTIONS ON THE REDUCTION OF SHAREHOLDING

##### (1) Restrictions on the circulation of shares and undertakings by shareholders to voluntarily lock-up their shares

The Company's controlling shareholder, China Telecommunications, undertakes that:

Within 36 months from the date on which the A Shares of the Company are listed and traded on the SSE, it shall not transfer or entrust others to manage the shares held by China Telecommunications prior to the initial public offering of A Shares of the Company, nor shall the Company repurchase such shares. China Telecommunications undertakes to strictly comply with the Company Law, the Securities Law, the SSE Listing Rules and other laws and regulations, policy requirements and the relevant requirements of the CSRC for prudent supervision, and to determine the lock-up period by adopting a longer applicable period; In the event of future changes in the above laws and regulations and policies, China Telecommunications undertakes to determine the lock-up period in strict accordance with the requirements after the changes. If the shares held by China Telecommunications are reduced within two years after the expiration of the above-mentioned shareholding period, the price of such reduction shall not be lower than the issue price of the Company's initial public offering of A Shares; if

the closing price of the Company's shares is lower than the issue price for 20 consecutive trading days within 6 months after the listing of the Company, or the closing price at the end of 6 months after the listing of the Company (if such date is not a trading day, the first trading day thereafter) is lower than the issue price, the shareholding period of China Telecommunications shall be automatically extended for at least 6 months.

##### (2) Undertaking on the intention of shareholding and the intention of shareholding reduction by shareholders holding more than 5% of the shares before the initial public offering of A shares

Each of China Telecommunications, being the controlling shareholder of the Company, and Guangdong Rising, the shareholder holding more than 5% of the shares of the Company, undertakes that:

1. After the initial public offering and listing of A Shares of the Company, it will strictly comply with its undertakings on the lock-up period of its shares. After the expiration of the committed lock-up period, in compliance with the relevant laws and regulations, regulatory documents and the business rules of the stock exchange, it will determine whether to reduce its shareholding in the Company based on factors such as the overall conditions of the securities market, the Company's operating results and stock trends, and its business development needs.

2. After the initial public offering and listing of A Shares of the Company and the expiration of the committed lock-up period, if it decides to reduce its shareholding in the Company, it will be processed through the block trading system of the stock exchange, the centralised bidding trading system or by agreement as permitted by laws and regulations.
3. If it intends to reduce its shareholding, it shall notify the Company in writing in advance on the information such as the number of shares to be reduced and the reasons for such reduction, and the Company shall perform the information disclosure obligations in accordance with the relevant laws and regulations and regulatory rules. It may implement the reduction after three trading days from the date on which the Company discloses its intention to reduce its shareholding.
4. Reduction of shareholding in the Company will be implemented in accordance with the requirements of laws, administrative regulations, *the Several Provisions on Reduction of Shareholding by Shareholders, Directors, Supervisors and Senior Management of Listed Companies* and *the Implementation Rules for Reduction of Shareholding by Shareholders, Directors, Supervisors and Senior Management of Listed Companies of the Shanghai Stock Exchange*. If there are changes in the relevant laws and regulations, regulatory documents and the business rules of the stock exchange, the then effective provisions shall prevail.
5. Reduction of shares of the Company acquired through the secondary market after the initial public offering and listing of A Shares of the Company shall not be subject to the above undertakings.

In the event of failure to perform the above undertakings, it shall take the relevant liabilities in accordance with the relevant laws and regulations, regulatory documents, business rules of stock exchanges and requirements of regulatory authorities.
